You are invited to join us for the **SELLING TO THE PUBLIC SECTOR REVERSE TRADE SHOW** being held at the Holiday Inn, St. John's, NL, on Monday, November 15, 2010, from 1:00 pm - 4:30 pm.

This event offers you an opportunity to meet with public sector purchasers to discuss how **your** products and services could meet **their** needs.

You can visit the exhibitor booths of public sector purchasers to learn more about the goods, services and construction-related products that are required by the provincial, federal, and municipal governments, academic institutions and the health care sector. As well, you can visit the booths of select agencies to learn more about the programs and services they offer, which can assist Newfoundland and Labrador firms in growing their business.

During the trade show, there will also be three workshops on topics of current interest:

- ✓ *Canadian Innovation Commercialization Program (CICP) - Government of Canada;*
- ✓ *Bidding on Federal Procurement Opportunities; and*
- ✓ *Understanding INTRD Programs and Services - Department of Innovation, Trade and Rural Development.*
